ORDER

BARBARA MOSES, United States Magistrate Judge.

For the reasons discussed during today's proceeding, the parties (including the proposed intervenors) shall submit short supplemental letter-briefs addressing the operation of N.Y. C.P.L.R. § 1601 in the event the pending intervention motion (Dkt. 30) is denied; in particular, whether the allegedly culpable conduct of Dr. Bumol and/or Montefiore Medical Group-Williamsbridge would be excluded from ("not considered" in) any § 1601 equitable share calculation performed in New York Supreme Court, Bronx County by reason of plaintiff's inability to obtain jurisdiction over those non-parties in New York Supreme Court, Bronx County.

The letter-briefs shall be filed no later than **July 14, 2023**. If, by that date, the parties have come to an agreement with respect to intervention, they shall instead file a joint letter advising the Court of their agreement and attaching any necessary stipulation to be so-ordered by the Court.

SO ORDERED.

United States Magistrate Judge
